Cooperation Reference

Dear Sirs!

We are a project developer and general contractor in the solar energy sector having more than 300 references in Austria and are herewith pleased to confirm, that EnTri Consulting GmbH accompanies our first steps into international business.

Specifically we have concluded a contract with the a.m. company, according to that EnTri Consulting GmbH supports us in our search for investors and financing partners in regard to our first photovoltaic projects developed in Romania (approximate size 2,5 MWp each).

The cooperation with EnTri Consulting is excellent and only can be recommended by us.
