CONFIRMATION

We herewith confirm that Dr. Klaus Tritscher, born on April 11th, 1961, in his capacity as Technical Head of the Unit „Environmental Services“ - with the support of the local team (engaged and trained by him) - has acquired and concluded the first concession contract of the STRABAG group in the sector of Municipal Waste Management Services:
The mayor facts of that contract are as follows:

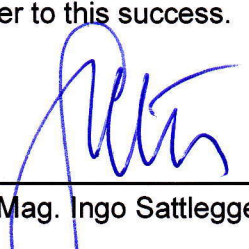

- Country: Bulgaria
- Employer: Municipality of Sofia
- Content of Services: Municipal waste management, street cleaning and cleaning of public areas, winterservices
- Enclosed Districts: Krasno Selo and Krasna Polyana
- No. of Inhabitants: approx. 200.000
- Total Contract Value: approx. EUR 10 Mio.
- Start of Operation: Dec. 01, 2010
- Duration of Contract: Four years (Dec. 01, 2010 – Nov. 30, 2014)

The contract was awarded following an international competitive tender, in which the consortium assembled by Dr. Tritscher (90% share of STRABAG) has been declared the winner for the two districts mentioned above.

We sincerely congratulate Dr. Tritscher to this success.
